

# I'm going camping!

Dear Friends and Family,

In June I am going camping with KAMP DOVETAIL at Rocky Fork Lake in Hillsboro, Ohio. KAMP DOVETAIL started in 1981 and is a camp for children with disabilities that is 100% volunteer run.

This year KAMP is ***Buggin' Out*** and the volunteers have a creepy crawly good time planned. I want to help raise money for KAMP and you can help. I will be collecting pledges until June 8, 2018.

The money I collect will go toward paying for the great things I get to do with the volunteers. I will be horseback riding, fishing, swimming, boating, playing putt-putt, going to the movies, playing games at recreation, jumping in the moonwalk and lots of other fun activities (not to mention the great food!). I only pay \$40 for the week of activities, food, t-shirt and picture. The volunteers work hard all year to raise enough money for me to participate and I get to help! Please fill out the back of this form with your pledge so I can help keep KAMP going year after year!
